Dear Neighbor,

Eli Lilly and Company has planned a Neighbor Night for Wednesday, November 8, at our Greenfield facility. As many of you may have noticed, we have grown both in new employees and the addition of some new research facilities. Our most recent growth has also included the acquisition of the Birch property, the demolition of some of our vacant buildings and continuing improvements to our perimeter security. The demolition of the Birch property and the subsequent ongoing improvements to our storm water retention are also ongoing projects. The November 8th, Neighbors Meeting will give us the opportunity to enhance your awareness and understanding of both our site and our business.

You and/or your spouse are invited to our second Neighborhood Night. Please arrive between 5:45 p.m. and 6:00 p.m. The event will begin promptly at 6:00 p.m. with a welcome and presentation, followed by dinner, business unit presentations and questions/answers. We will conclude at approximately 7:45 p.m.
